

Make a gift to Calvary Chapel with a Giving Fund

The National Christian Foundation (NCF) is the 6th largest charity in the USA, and offers flexible accounts for giving called donor-advised funds, or Giving Funds. A Giving Fund with NCF works like a charitable checking account, but instead of writing checks, you contribute all types of assets (cash, appreciated stocks, or non-cash assets), receive an immediate income tax deduction, the money can be invested for growth, and then you can recommend grants to your favorite charities.

Strategic giving in 3 easy steps

I WANT A GIVING FUND

1. Go to ncfgiving.com/southflorida.
2. In the upper right hand corner, select "Open Fund" (Make sure to select South Florida as your NCF office). It takes less than 5 minutes to open a fund!
3. Once your fund is open, you can make a tax-deductible contribution to your account. Then follow steps for "I Already Have a Giving Fund."

I ALREADY HAVE A GIVING FUND

1. Go to ncfgiving.com/southflorida and login to your Giving Fund.
2. Click on the "Grant" button. Under "Select a Charity," search for "Calvary Chapel Fort Lauderdale" and click the green "Grant" button.
3. Proceed to fill out the required fields, and then select "Submit Grant" to complete your gift.
